Notes:

At the time of creating this programme, all Athletics New Zealand Championship event dates available are listed. The ANZ National Championships (March 6th - 8th). This date was decided upon based on athletic events occurring in Australia.

As yet no date is available for International Track Meeting (ITM), nor the ANZ W/M U-20 3000m Championships.

This has a flow on effect re: our dates, hence the suggestion dates above for Athletics Canterbury Championships (February 21st - 22nd), two weeks before ANZ Championships.

For the 2014 - 2015 Athletic Canterbury Championships (Timaru), it has been decided that there will be no Children's Interclub meeting in the morning. Hence this allows the AC Championships to start early on Saturday morning and finish mid-day Sunday, rather than late Sunday afternoon as in previous years.

Due to a reduction in participation numbers at Interclub meetings in late December and early January, we will run a modified programme with fewer events.
